ECE without Ent Rec BA14

The Early Childhood Education Major without Recommendation for Entitlement requires 59 total credits. Early Childhood Education majors must complete a course of study that includes a prescribed sequence of LAS Core courses that differs slightly from the Core requirements for other majors. As a general rule, no more than 32 credits of LAS Core work will be accepted in transfer. AP and transfer credit will be evaluated on an individual basis. In addition, students are required to complete 10 credits of student teaching in Chicago area schools as part of their Professional Education work. Students are **STRONGLY ENCOURAGED** to complete a focus area or minor (9 credits of which can overlap with the LAS Core). Please see your faculty advisor before selecting a focus area or minor. Students must earn a grade of "B" or better in English Composition and Mathematics, and maintain an overall GPA of 2.5 or better in all LAS Core courses. Students must earn a minimum grade of "B-" in ALL Education courses. All other classes must be completed with a minimum grade of "C." NO credit will be allowed for a course in which less than a "C" was earned.

Child Development Core

Child Development Core

Courses: 9/9

Course	Title	Credits	Grade
38-1100	Foundations I: History & Introduction to Early Childhood Education	3	B-
