Special notes for transfer students: Students wishing to pursue the BFA program must apply in the Fashion Studies Department. Due to the sequential nature of the BFA in Fashion Design, 6 semesters are required at Columbia College Chicago to complete this program. Some transfer students may require less than 6 semesters if they are transferring in applicable coursework in Fashion Design. Columbia also offers a BA degree in Fashion Design as an alternative option for transfer students who are looking to graduate sooner.

¹ *Semesters to degree completion are calculated assuming 60 total credits in transfer with all [Liberal Arts & Sciences Core](#) requirements complete and no major requirements transferred in. Students may lessen the length of time to degree completion by transferring in applicable major courses. Please see transferology.com for information on individual course equivalencies. Full-time status at Columbia College Chicago is 12-16 credits per term. All degree-seeking undergraduate students are required to complete Global Awareness (3 credits), U.S. Pluralism (3 credits), Writing Intensive (3 credits), and upper division (2000 level or higher) LAS core courses (6 credits). Except for Writing Intensive, these requirements may be met in transfer.
