¹ *Semesters to degree completion are calculated assuming 60 total credits in transfer with all **Liberal Arts & Sciences Core** requirements complete and no major requirements transferred in. Students may lessen the length of time to degree completion by transferring in applicable major courses and College-wide electives. Please see <http://www.transferology.com/school/colum> for information on individual course equivalencies. Full-time status at Columbia College Chicago is 12-16 credits per term. All degree-seeking undergraduate students are required to complete Global Awareness (3 credits), U.S. Pluralism (3 credits), Writing Intensive (3 credits), and upper division (2000 level or higher) LAS core courses (6 credits). Except for Writing Intensive, these requirements may be met in transfer.
