Performance: Jazz BMus15

85 credits required. Grade of "C" or better required in all major courses. GPA of 3.0 or better in the major required for all Bachelor of Music candidates.

Upon successful completion of this program, students will be able to:

- Perform and record original compositions and arrangements as the leader of a professional-quality ensemble, producing a body of work that will form the foundation of a professional performance career.
- Participate in the ongoing evolution of traditional and modern jazz repertoire through composition, arranging, and performance.
- Demonstrate professional and forward-thinking pedagogical approaches to jazz education suitable to a variety of educational settings.
- Enact a thorough and flexible business plan that fully supports the student's professional goals.
- Discuss through spoken and written language the social and historical contexts in which jazz has been created and critically evaluate the dominant narratives of the music's aesthetic and cultural development.
