Theatre Design BA 2016

47 credits required. Grade of C or better required in all major courses.

Upon successful completion of this program, students will:

- Demonstrate a working understanding that design is a collaborative process that requires close co-operation between the designers, the director, technical team and performers on a theatrical production.
- Demonstrate familiarity with multiple design disciplines (costume, lighting or scenic design) though students may focus their work in one area.
- Demonstrate a fluent knowledge of technical theatre and theatrical drawing; including, rendering, and drafting.
- Articulate knowledge of art and theatre history and dramatic theory.
- Have experienced a range of production responsibilities provided to the theatrical design students by the ample opportunities to work on Departmental productions.
