

## Undergraduate Program Requirements

### Science & Math Program Requirements

Currently displaying program requirements for academic year: UNDG 2017-2018 ▼

#### Env. Studies Minor 2017

The Environmental Studies Minor consists of 20-22 credits. Students must complete the Environmental Studies core course and a 3-credit internship or independent study depending upon his or her special interests, which can be arranged through the numerous professional contacts of the faculty in the Science and Mathematics Department. In addition, students must select two courses apiece from each of the elective areas.

##### Env. Studies Minor

Students must complete the three credit course, Environmental Science:

Course	Title	Credits	Grade
<b>Core Course</b> <span style="float: right;">Courses: 1/1</span>
