BFA INTERIOR ARCH

80 credits are required to complete this major. A grade of "C" or better is required in all major coursework. A gpa of 3.0 or better in the major is required for all Bachelor of Fine Arts candidates. Upon successful completion of this program, students will be able to: 1. Work through the critical phases of the design process, as established and required within professional interior architecture practice. 2. Participate as an entry-level professional within the architecture and design community, with a competent level of creative, intellectual, and technical skills as required by CIDA (Coouncil for Interior Design Accreditation). 3. Demonstrate comprehensive knowledge of the built environment and its physiological, psychological, and social effects on the user, to assure that health, life safety, welfare, and sustainability concerns are incorporated. 4. Have an understanding of design tools (design concept, circulation patterns, overall atmosphere, materials, lighting) that enhance the built environment and support the client's intention. 5. Be qualified, with the addition of 2 years professional experience, to sit for the NCIDQ (National Council for Interior Design Qualification) exam. Additional notes: History of Art I and II do not count toward the LAS Core. If you are completing the Art History Minor, History of Art I and II (22-1101/22-1102) and History of Architecture I -OR- II (22-1131 -OR- 22-1132) will double count toward both the major and the minor. No other courses will double count for both the major and the minor.
