Fashion Design BFA 2013

72 credits required.

Grade of "C" or better required in all major courses. GPA of 3.0 or better required in the major. Upon successful completion of this program, students will be able to:

- Demonstrate an understanding and application evidenced by the ability to effectively interpret and express art and/or design concepts and solutions in written/verbal/visual/sensorial format.
- Effectively apply materials, techniques, technology, vocabulary / terminology relative to desired end product and solution.
- Demonstrate an understanding and application of the history, theory, context, and practice of fashion, art, and design evidenced by the ability to contextualize thoughts and ideas in reference to socio-historical context as it applies to concept, practice, and product.
- Application of the above referenced skills and abilities in conjunction with creative problem solving, concept development, and design execution.
- Describe, analyze, interpret, and contextualize one's own work and the work of others.
- Develop and maintain effective, ethical, professional and sustainable work habits (including time management, project organization, and awareness of environmentally sensitive working practices).
- Develop and present a succinct, cohesive, professional body of work.
